- Search for conversations by: time and date,
- Channel or
- Phone number (if caller ID or DTMF was available)

- Playback, using either the built-in player or via the USB connection to your PC,
- Does not interfere with recording

Access your important recordings using a PC, USB, LAN, or a built-in control panel

Manage Your Conversation Database

- Conversations are stored efficiently and securely as digital files on either a built-in hard drive (up to the most recent 65,000 recordings and 7,200 hours of talk time)
- Recordings from the built-in hard drive can be quickly transferred to your PC through a USB connection.

Stand-alone or PC Operation

- **TeleCorders** with internal hard drives operate entirely on their own and do not require a PC for operation

- Manage the **TeleCorder** from the built-in key-pad and four line LCD display with backlight or,
- from a PC using the supplied USB cable and user-friendly software
- The recorders do not have a power up or power down procedure. Simply plug them in to start recording, and unplug to turnoff

Cost-effective solution to record conversations from phone lines, phone sets, 2-way-radios, Boardroom microphones etc...

- Software archives recordings to PC via USB
- Connects to phone lines, phone instruments, or other line level audio sources
- Economical to purchase and use
- Ideal for long term unattended recording
- High quality audio recordings
- Record from 1, 2, 3, or 4 sources of audio
- Passwords (3) to avoid unauthorized access

Recordings that have been transferred from the **TeleCorders** to a PC or server can be played on any PC with a sound card. The file formats are converted without loss of quality and can be sent by e-mail or copied to storage media such as CD or DVD disks. No special software is required for playing recordings that have been saved to your PC using the included software. For sensitive applications, passwords can be used to stop others from listening to your conversations.

TeleCorders Models

- TC-02F** Two channel, internal HDD
- TC-04F** Four channel, internal HDD
